Nature park house

The visitor information center of the river landscape Peenetal in Stolpe an der Peene presents a modern, attractive exhibition about the unique natural area on the Peene and is waiting for your visitors.

In addition, the attractive outdoor facilities invite you to play and relax. It's worth a visit!

Dörphus Stolpe

The Dörphus in Stolpe is the social center of the small community on the Peene river. Events and conferences take place here and this is the seat of the mayor and the association "Vorpommersche Dorfstraße".

Quilow moated castle

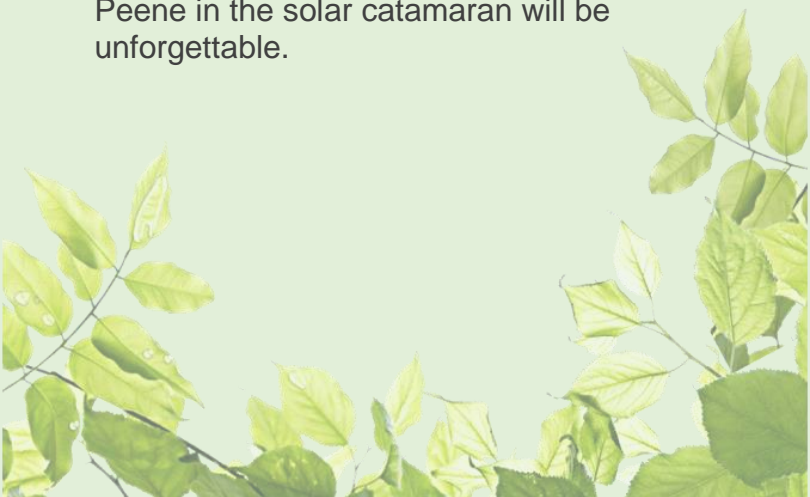

The Quilow moated castle is a manor house in the Vorpommern-Greifswald district. It is one of the few remaining Renaissance facilities in Mecklenburg-Western Pomerania. The renovation is an extensive model project.

Solar boat tour

With a local guide on board, you will experience the insider tips of the Peenetal on guided tours. Whether sea eagle, cormorant or beaver - the hours on the Peene in the solar catamaran will be unforgettable.
